

How to reach the
Rutherford Appleton Laboratory

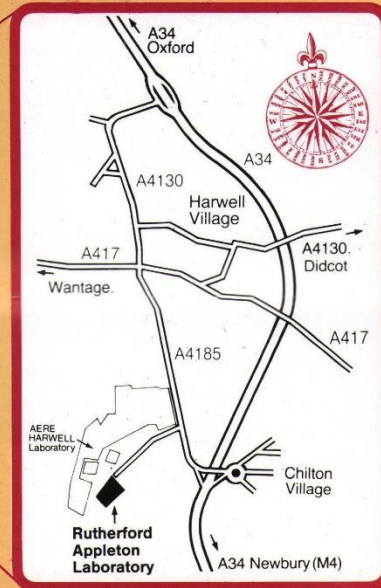

Rutherford Appleton Laboratory
Chilton, Didcot, Oxfordshire. OX11 0QX.
Telex 83159 Telegrams: Ruthlab Abingdon
Telephone: Abingdon (0235) 21900.

ROUTES TO THE RUTHERFORD APPLETON LABORATORY

RAL lies on the A4185 mid-way between Oxford and Newbury. Approach from north and south using the A34.

If **Southbound**, leave the A34 at the A4130 (Didcot, Wantage) exit, and continue on to the A4185.

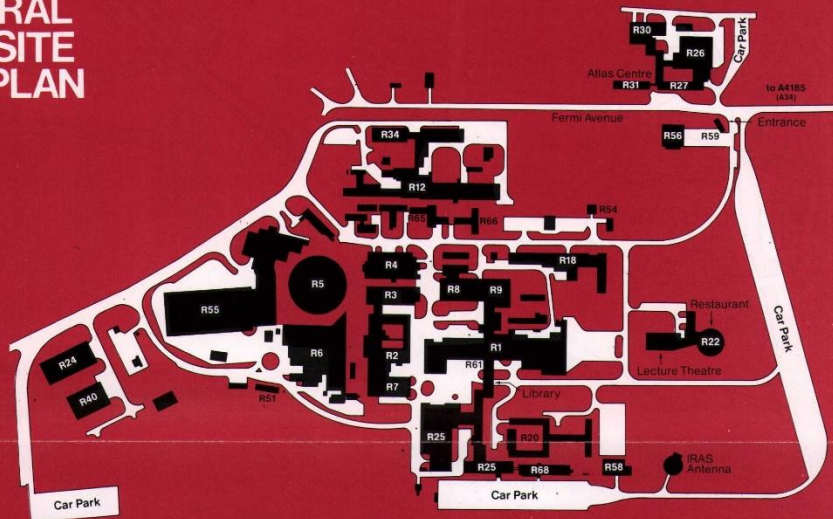

If **Northbound**, leave the A34 at the A4185 (Didcot, Wantage) exit.

By Air — RAL is 1 hour car journey from London's Heathrow Airport. Follow the M4 motorway westwards to interchange 13, then head northwards on the A34.

By Rail — RAL is 6 miles south-west of Didcot Station, providing connections with London (Paddington), Birmingham, West of England and South Wales. Follow the A4130, then A4185 routes to the Laboratory.
