THE BRITISH UNITED PROVIDENT ASSOCIATION

Plan for Private Hospital, Nursing Home and Specialist Treatment

A Group of the B.U.P.A. is being formed at A.E.R.E., Harwell. This will be of interest to members of the staff who wish to safeguard themselves and their families against the expense of private treatment for major illnesses, including surgical operations. Membership does not prevent people from availing themselves of the National Health Service, but rather provides supplementary benefits to remedy its shortcomings. It enables one to make the best and promptest arrangements for treatment without having to worry about the expense, and to enjoy a measure of privacy that is not possible under the Health Service.

Membership of a Group is advantageous in that a member is entitled to benefit immediately on acceptance and is not subject to a waiting period, and also the Association's standard rates of subscription are reduced by 20%. Subscriptions may be made by monthly deductions from salaries.

Further details and applications forms may be obtained from the Welfare Office, Bldg. 329 Room 60 (Ext. 3061). Early enquiries are invited.

ACKNOWLEDGEMENT

Mr. & Mrs. W. H. Pile extend their gratitude to the many kind friends of their late son Bryan for the sympathy and floral tributes received in their recent bereavement.

TUTORIAL CLASSES

All those who would welcome an evening tutorial class to supplement their day-release studies are asked to inform the Technical Training Office, B.328/T, in writing as soon as possible. The applicant's name, building and telephone number, subject, stage and free evenings should be stated. Tutorials will be arranged on the basis of these applications if there is adequate support.

HOCKEY CLUB

Results: Sat. 21st Nov. Ox. Spartans 2. A.E.R.E. II 1.
Sun. 22nd Nov. Wallingford 3. A.E.R.E. Mixed XI 1.

A.E.R.E. II did most of the attacking in their game with Spartans, but the forwards shooting was woefully weak, and, after taking the lead when Marples scored following a corner, A.E.R.E. conceded two goals and the game. As a whole, though, the team tried hard. Phillips at centre-half showed something of his real form - a result of his new stick perhaps.

The Mixed XI lost their unbeaten record to a fast Wallingford side, when they lost by 3-1 on Sunday. The forwards, hampered perhaps by the rough pitch, could only show one goal as a result of much endeavour and the defence, despite Burningham's brilliance in goal, could not prevent the home attack from scoring. Kay scored the A.E.R.E. goal after a solo run from near half-way.

MOTOR CLUB

NAVIGATION CLASS - Mon. 7th Dec. Mick Lee will illustrate some of the problems likely to be encountered in rallies, using examples based on previous events, to give an insight into the tortuous minds of organisers. Meeting in the Social Club at 7.45 p.m.
DECEMBER DRIVE - Sun. 13th Dec. Although only 60 miles in length and lasting about 3 hours, this rally will contain a variety of problems, as it is being organised by Mick Lee. Beginners have been carefully provided for when setting the route card. Start from Main Gate 1.45 p.m. Details from M. J. Lee Bldg. 424.
Basingstoke C.C. Chequers Rally 21st Nov. Many of the eighteen starters apparently tired of fog and muddy roads as only four finished. A fifth crew arrived just after the final control closed. The provisional winner was G. Webb of B.C.C. 1290 penalty; J. Hedger and J. Whittle took second place with 1660 penalty.

FOOTBALL CLUB

Results. Sat: 21st Nov: 1st XI v Cowley Utd. Home. Won 2-1.
Oxon Senior Lge.
2nd XI v Quarry Nomads Res. Away. Draw 2-2.
Oxon Intermediate Lge.

The 1st XI had to make four changes from previous week. A.E.R.E. started off with some very fine football and Cowley had to defend desperately for nearly twenty minutes, but due to poor finishing and some 'bad luck' A.E.R.E. could score but one goal - Wynne finishing off a good move with a cracking shot. This score held to half-time after which Cowley came more into the picture as A.E.R.E. attempted to add another goal. Cowley equalised by a goal which was disputed and A.E.R.E., spurred on by this incident, attacked strongly and once more produced some good football. Kapota, who had been showing up well, eventually scored brilliantly from a narrow angle.

The 2nd XI, weakened by 1st XI calls, did extremely well to take a point off Quarry who are placed second in the League, in fact, A.E.R.E. only failed by two minutes to collect both points. Each of the Quarry goals had an element of luck; the playing surface of the pitch was poor, and Tattersdill our youthful keeper was continually troubled by the unpredictable bounce of the ball. Quarry opened the scoring after ten minutes, but this was countered by Rowlands. With 1-1 at half-time, spirits were high and a hard drive by Hayton put A.E.R.E. into the lead. Defending desperately, the defence held until two minutes to time, when Quarry equalised by a goal which, on a normal surface, Tattersdill would have covered.

Weekly Competition: 2 Highest:- 6 & 23 £3. 0s. 0d.
2 Highest Away:- 23 with one of: 1-18-30 or 33. 5/- each.
Accumulator:- 6 with one of: 1-15-18-19-21-29-31 & 33. 2/3d. each.

Fixtures. Sat: 28th Nov. 1st XI v Watlington Home. K.O. 2.30 p.m.
Oxon Senior Lge.
2nd XI v Watlington Res. Away
Coach leaves pavilion 1.15 p.m.

N.S. CYCLE GROUP

Not a touring club, but a six month's-cycle that deducts from salary to make an effort-less way of saving: 2/6d. a month will bring home a 15/- certificate at the end of a six months National Savings Cycle.

The next cycle (No. 59) will begin in December, and the 7th of that month is the closing date for applications either to commence or increase contributions. Why not call at or ring the Cash Office, Bldg. 329 (Ext. 2653) NOW, for application forms, or for further information?

A request has been received from a family at Steventon who wished to thank personally the unknown member of Harwell who jumped off a passing A.E.R.E. bus to render valuable first-aid to their 11-year old son at Steventon on Friday, Nov. 20th. The "A.E.R.E. News" has since established the names of some of the Harwell staff who were concerned, but they wish to remain anonymous. Tribute is paid to them and to other first-aiders who are devoting their time to being prepared for such emergencies.

A.E.R.E.	9 pts.	A.W.R.E.	8 pts.
A.E.R.E.	15 pts.	R.A.E. Farnborough	9 pts.
A.E.R.E. 'A'	5 pts.	R.A.E. Farnborough 'A'	3 pts.
Reading Univ. 'B'	19 pts.	A.E.R.E. 'B'	5 pts.

In a very hard fought Cup Game on Wednesday A.E.R.E. defeated A.W.R.E. by the narrowest of margins: 9 pts. to 8 pts. Due to the very wet conditions the game became a battle between the two sets of forwards. For most of the game A.W.R.E. were in the lead by 8 pts. to 3 pts. and it was not until the last 10 mins. that A.E.R.E. besieged the A.W.R.E. line and scrambled two tries, neither of which were converted, to snatch a hard earned victory.

On Saturday A.E.R.E. produced a better class of Rugby to defeat R.A.E. Farnborough by 15 pts. to 9 pts. With A.E.R.E. winning the tight scrums, the lineouts being even, and Farnborough being slightly more constructive in the loose, it was left to the threequarters to determine the outcome of the game. A.E.R.E. took an early lead through tries by Evans and McGarry, both of which were converted by Chiswell, against a penalty to R.A.E. One of the R.A.E. centres then intercepted a pass in his own half, and ran 70 yds. to score a fine try which was converted, to bring the score to 10 pts. to 9 pts. A.E.R.E. retaliated and, after a fine break by Cameron, McGarry scored for Chiswell to convert.
'A' XV v R.A.E. Farnborough 'A' The 'A' XV won a hard-fought game with old rivals, Farnborough. Harwell started well and were able to set their threequarters moving, but the Farnborough defence covered well. However, A.E.R.E.'s efforts were rewarded with a try by Price which Ball converted. Farnborough replied with an opportune try, but the conversion kick was charged down by Harwell. There was no more scoring and the second half became a dour, forward battle with neither side gaining a real advantage.
