Hockey Club

AERE I 4	Huntley & Palmers 3
AERE II	Abingdon

Within five minutes of the start John Forbes and Barry Farmery gave us a two goal lead. H. & P. then settled down and the game was more even until they reduced the arrears just before half time. The second half found us on the defensive for a while until Doug Davies put AERE further ahead and "mirabile dictu" straight from the bully Doug raced down the wing, and centred for Johnny Austin to make it 4-1. With commendable spirit our opponents fought back and were awarded a penalty flick which was converted and with almost their last breath made it 4-3 to give an exciting finish to a grand game.

A.E.R.E. 3 Old Ranelagh 1

On a greasy pitch AERE kept their feet the better and deservedly won by virtue of a better first half. John Austin and Bob Haggood followed up well to give us a two nil lead at half-time. This was just as well since a strong wind seemed likely to prevent further AERE progress. However, John Penney scored from a long corner with a rasping shot which found the corner of the net. Old Ranelagh replied with a consolation goal just before the end.

Squash Rackets

Reading University	0	AERE	5
R.A.F. Shinfield	0	AERE	5

Although the club won all five events at Reading, three might well have gone the other way. Brian Phillips, Cynlais Harries and George Bishop all won in the fifth game. Malcolm Christer and Gerry Coulbeck were far too strong for the opposite numbers.

Our first visit to Shinfield also resulted in an easy victory. Peter Blundy, Bernard Greenfield, Harry Morley, Vince Murphy and Chris Sanders all winning with the loss of only one game.

The draw for the Inter-Divisional trophy has now been made and is on the Club's notice board in the courts.

The Club ties have now arrived. There are still a few available for sale to members (17/6 each), and those who have not yet placed an order are advised to do so without delay. Once our present stock is exhausted, it may well be some time before a new order can be placed owing to the minimum number which can be purchased.

Harwell captain took the advantage of playing with the wind in the first half and it paid dividends, our opening with a superb penalty kick by J. Dix from 40 yards out. Oxford had a chance to equal with a penalty kick but missed it. Harwell increased their score by a very good movement in their back division. E. Athey made a fine break to put D. Headford in for a try, J. Dix converted the try.

Oxford fought back in the second half with long kicks using the wind. But Harwell's full back played a very good game and prevented Oxford from gaining ground. Harwell's forwards played extremely well dominating the scrums with fine hooking and pushing. Harwell's scrum-half took advantage of the quick heels from the scrum and served his back with quick passes and individual bracks and kicks.
