Cricket Club

Sat., 18 June AERE 184 (Saunders 35, Ruffle 34, Campbell 30, Kilbourne 26, Payne 25).

Mapledurham 129-6 (Rhodes 3-36).

Sun., 19 June AERE 148-7 dec. (Ruffle 39, Crick 32).

Moreton 131-7 (Rhodes 4-38).

AERE profited from some friendly bowling on Saturday and scored their runs in two hours. Mapledurham looked much stronger at batting, and only some good bowling, especially from Jenson, contained them after they had made a good start. AERE was unable to take wickets until too late and the inconclusive end was almost inevitable.

Sunday's game ran a similar course; an encouraging feature of both days was the scoring of runs for AERE by batsmen below number five. AERE seemed likely to have an uncomfortably low score at tea until Hughes and Hill junior set about the bowling and added 50 in the last half-hour. At one stage Moreton had a fair chance of getting the runs but they found Rhodes a bit difficult and the final score was not an unreasonable summary.

Sat., 18 June AERE II 60 (Wood 23)
Cowley St. John II 61-6 (Cox 4-25)

Archery Club

Our demonstrations of archery at the Upton Fete on Sat., 18th, were well received. We started off with a William Tell act: a cardboard lad, but we used a real apple which was knocked off once or twice by vibration! Margaret eventually split it, but not before getting the lad straight between the eyes!

The static display of archery tackle and photos gave great interest.

The second part of the demonstration was a match between Archery Darts and bona-fide darts. We shot against two teams, Ladies team first. Margaret finished the game for the Archers with double 19, with the Darts having just over 200 to get. The second game against the Men was finished by young Alan Taylor with double 1; he also got the highest score of both matches with 79, not bad for 10 years old!

Sunday, the 19th was the Pavlova Western at Abingdon. A very nice shoot, well laid out and very well attended, 108 in all. We got one good soaking at the beginning, but that was all the rain we saw.

UKAEA GOLFING ALLIANCE

The AWRE Golfing Society staged a highly successful meeting at Moor Park on 13th June. Nearly 80 of the Authority's golfers took part, and 10 teams competed for the Sir William Penney Trophy. The Risley team won with a score of 563 for a four-man, 36 holes total. Windscale were one stroke behind, and Harwell, with 567 took third place.

The UKAEA scratch champion was once again Joe French of Windscale. Harwell's Alec Coulson, for the third consecutive time was runner-up. (Always the bridesmaid, Alec?).

Barry Shenton of Harwell scored a brilliant nett 66 on the West Course to take 1st prize for the best nett 18 holes in the morning.

The "Risley" Trophy for the best nett 36 holes for handicaps 12 and over was won by J.N. Astbury of Capenhurst. D. Smith of Windscale took the "Aldermaston" Trophy for the best nett 36 holes for handicaps of 11 and under.

All who attended were impressed by the magnificent golf courses and Club premises, and also by the catering. The organisation by members of the AWRE Golfing Society was of a high standard.

Sir William Penney presented the prizes, and the Member for Weapons, Sir Denis Bennett, also attended.

Golf Society

It is very pleasant to be able to record another win by Jack Owen who with partner Norman Prickard won the Radley Cup at Frilford Heath on Sat., 18th June. Playing really good golf Jack and Norman returned a nett 67 to lead the field.

Next event: THE SILVER ATOM to be played at Southfields Wed., 29th June.

Lawn Tennis Club

The great count-down continues! There is now only one week left in which to pay your subs. if you are going to take advantage of the reduced rates. Any Committee member will be pleased to accept your money. (Some will be more pleased than others.) Pay up and give the treasurer a chance to recover from his holiday.

The American tournament will be held next Sun., 26th June, commencing at 2.30 p.m., on the Ridgeway Courts. Members and their guests are welcome. Enter on the day: Entrance fee 2/- per head (reduced rates for people with more than one head). Orange Squash and cups of tea will be provided, but bring your own food. The organisation is vague but honest, and a good afternoon's tennis should be assured.

Match Results:-

Stoneham School	1½ - A.E.R.E.	7½ (Men's Friendly)
Portcullis (Wallingford)	1 - A.E.R.E.	8 (Mixed Friendly)
A.E.R.E.	- M.R.C.	(Mixed Friendly)
Bohemian	- A.E.R.E. 'A'	(Men's League 'A')
A.E.R.E. 'B'	- Bicester	(Men's League 'C')

The A.E.R.E. team which visited the slopes of Stoneham this year proved to be too strong for a weaker than usual schoolmasters' team. Mick Lee and Alan Hewlett were in a more benevolent mood than the rest, but made up for their benevolence in games by smashing one of their opponent's rackets.

Scores:- B. Greenfield & R. Gardner - Won 3 games, Lost 0
D. Sammon & L. Cary - Won 3 games, Lost 0
M. Lee & A. Hewlett - Won 1½ games, Lost 1½

Against a weaker Wallingford team than they were expecting to meet, A.E.R.E. gave their opponents an exhibition of how to win at tennis, and then treated the patrons of "The George" to an exhibition of knees such as they could not have seen since the 1920's.

Scores:- Mrs. B. Hill & B. Garnett - Won 3 games, Lost 0
Miss J. Bartlett & T. Parker - Won 2½ games, Lost 1½
Miss M. Thompson & A. Hewlett - Won 2½ games, Lost 1½
Bohemian 7 - A.E.R.E. 'A' 2 (Men's League Div. 'A')

P. Gracie & L. Kay Won 2 Lost 1
A. Davies & W. Lilley Won 0 Lost 3
B. Greenfield & W.B. Garnet Won 0 Lost 3

Bohemian retained their unbeaten record and inflicted the first defeat of the season on the 'A' team.

A.E.R.E. 'B' 7 - Bicester 2 (Men's League Div. 'C')
D. Sammon & E.R. Gardner Won 3 Lost 0
K. Mell & J. Preston Won 3 Lost 0
M. Lee & G. Kenworthy Won 1 Lost 2

A.E.R.E. 5 - M.R.C. 4 (Mixed Friendly)

Mrs. E. Stiff & A. Hewlett Won 2 Lost 1
Miss P. Hancock & D. Crossley Won 1½ Lost 1½
Miss J. Nickson & J. Williams Won 1½ Lost 1½

A.E.R.E. finally established their superiority over M.R.C.

OPTICAL ILLUSION

Large shapes reduce the apparent size of
surrounding shapes and vice versa. The circle
surrounded by small circles seems larger than the
one surrounded by large circles. In fact,
they are the same size.
