## HOCKEY CLUB

### Sat. Nov. 15th

Old Paludians 0 AERE I 1  
Hayes III 0 AERE II 3  
Wootton Bassett III 1 AERE III 2

**PATEL SAVES RECORD.** On a narrow bumpy pitch at Taplow, Harwell failed to adapt to the conditions in their match with the Old Paludians. After a goal-less first half, Harwell improved and their passing became more accurate. However, AERE failed to take their chances and were not able to convert their large number of short corners. Ben Patel saved Harwell's winning league record with a good individual goal by beating several defenders and placing the ball out of the goalkeeper's reach and into the net.

**POWELL STRIKES AGAIN AND AGAIN.** Two more goals from Mike Powell and one from Geoff Best gave Harwell an easy win at Hayes. However, AERE made things difficult for themselves at times; the attack missed several more chances, two of the goals went in off the wood-work and the defence, perhaps bored in the second half, made things more exciting by passing the ball to the opposition.

### LADIES HOCKEY CLUB

8th Nov. Harwell 7 Newbury III 1  
The ladies really excelled themselves in this game, with goals coming from Anne Desport (4), Alanah Streeton (2), Gwen Headland (1). Keep it up, girls!

15th Nov. Harwell 1 RMCS 6  
The RMCS team arrived with 4 players missing and Cathy Wright and Sheridan McBride from Harwell filled in for them and played very well. Our girls started pulling their socks up in the last 15 mins.

### TABLE TENNIS CLUB

W/E 14th Nov. Not a very good week as, with 3 results not known, only 2 teams had wins; let's hope better results can be reported next week. In **Oxford Div.I** the 'B' team was defeated 2-8 by MG 'A', Mair Davies and Brian Slade winning 1 single each. In **Didcot Div.I** the 'A' team went down 4-6 to BRSA 'A'; Alf Davies won all his singles and combined with Mair to win the doubles. The 'B' team with 2 players, Brian Slade and Peter Kent, lost to Spartans 3-7; Brian won 2 singles with Peter winning 1. In **Div.II** the 'C' team lost 2-8 to Civil Service 'A', Alan Glaysher and Alan Matthews winning 1 single each. The 'D' team, Dennis Logsdall, John Eakins and Brian Smith, had a good 6-4 win over RAF; Dennis and John won 2 singles each; Brian won 1 and combined with John to win the doubles. In **Div.IV** the 'H' team of Kevin Liquorish, Bob and Tim Rose had a very good 7-3 win over Letcombe 'E'. All three players won 2 singles each and were given a W.O. in the doubles.

Roger Bones worked hard for his win in a 5-0 defeat of Oxford II, whereas Brian Bull, Ben Palmer, Bob McCline and John Cookson won more easily. Harwell IV maintained their 100% record thanks to wins by Mike Rose, making his first appearance, Bill Gardner, Fred Allsworth and Robin Parsley. John Branson and Norman Taylor had good wins in our Div.I match against Highfield. Norman Taylor gave further evidence of his fine play when he defeated Tony Wheeler in the first round of the Harp Lager Tournament.

Our ladies almost lost their unbeaten record in the match against Reading Univ.II. Jennie Coates and Mary Marshall won convincingly, Anne Morgan playing her first match for the Club had a very hard fight and only just lost in five. It was left to Norma Blamires, who played splendidly, to save us. In the match against W.R.A.F., Jackie Hummel was opposed to Eunice Davies who ran out the winner on this occasion. However, Athele Winchester, Mary Wicks, Cecilia Tynan and Jennie Coates put the rest of the W.R.A.F. side to flight.

**RUGBY CLUB**

9th Nov. Harwell 9 Abbey 19 (Berks Cup)  
15th Nov. Harwell 1st. 13 Bicester 1st. 0  
Bicester 2nd. 26 Harwell 2nd 4  
Harwell 3rd. 8 Bicester 3rd. 14

The 1st XV returned to their winning ways, after their defeat by Abbey in the Berkshire Knock-out competition, to beat Bicester in a hard and keenly fought game. The home pack worked hard to achieve the edge in the scrum, but, in spite of an improvement in line-out play over past weeks, were forced to concede to the Bicester side in this department. With possession from the set pieces evenly divided, it was the Harwell play in the loose and the ferocious tackling of the backs that divided the two sides in the end. Harwell led 6 points to nil at half time with a try by Brian Flanders converted by Richard Ryan. After the oranges, Brian Flanders demonstrated his versatility by dropping a goal and John Bastin knocked in the final nail in the Bicester coffin by scoring in the corner. The conversion was missed.

2nd XV end points famine. After too many games without scoring, the blank spell was ended this week when Graham Hays scored a try so well taken that one could have thought it was a regular occurrence. This week's side should become a good team, as players are beginning to play for each other and the new Cliff Richard has joined with Dave Burden to make a promising half-back combination. Captain Mike Galsworthy, while admitting some satisfaction with his team, pleads for "more commitment up front". The 3rd XV continues to improve, and even if they did not win this week, played very well. The points came from backs Steve Sambell and Phil McGoogan, which indicates that the ball is being moved from hand to hand as it should be. The reserves have grown in such numbers as to necessitate a 4th XV fixture, and this augers well
